RE: Application Number: 10/553,593
Attorney Docket Number: HRCM.P007-USNP

Dear Mr. Doll:

We need your help in obtaining a corrected filing receipt. We also need your help in getting Application 10/553,593 taken "out of order" for examination.

We have received the Filing Receipt with a mailing dated June 14, 2006. It is incorrectly states that the application "will be considered in its order". Pursuant to 37 CFR section 1.496, last sentence, it is required that this application be taken up "out of order".

On January 5, 2007 we filed a Request for Corrected Filing Receipt. As of today the application number 10/553,593 still has no corrected filing receipt.

Furthermore, this application is a 371 of PCT/IB2004/052224 filed on October 28, 2003. We received a favorable International Search Report for the PCT application for all 31 claims.

Under 37 CFR § 496 (b):

National stage applications having paid the search fee as set forth in 1.492(b)(1) and the examination fee as set forth in 1.492 (c)(1) may be amended subsequent to the date of entry into the national stage only to the extent necessary to eliminate objections as to form or to cancel rejected claims. Such national stage applications will be advanced out of turn for examination.

POSTAL ADDRESS: P.O. BOX 4850, FRISCO, COLORADO 80443-4850

Pursuant to the last sentence of the section 496(b) it is required that the above-referenced application be advanced out of turn for examination.

We would be most grateful for your help in obtaining a corrected filing receipt for the above-mentioned application. We also would be grateful for getting this application taken out of order for examination.

Very truly yours,

Carl Oppedahl,

Oppedahl Patent Law Firm, LLC.
